It's time for Baseball season again. Deerfield Community Center offers traveling American and National League baseball to youth that are in **grades 3-6** (2019-20 school year). Each team will compete with area teams. They will also compete in the Deerfield Days Tournament in July. Any additional tournaments a team decides to play in will be an extra fee to be announced by the coaches. It's very important for each child to make a commitment to attend each practice and game. Practices are determined by each coach and they will call you with that information prior to the first practice. Each player will receive a team t-shirt and hat. Please wait to order pants as the teams will decide on pant color. We need volunteers to help with the season, as it's an essential component of this league. We need coaches, asst. coaches, managers and umpires. We also need help running the Deerfield Days Baseball tournament.

We will have a Spring Player Evaluation on Thursday, April 2nd at DHS Gym and Small Gym. All players and coaches should plan to attend. Coaches will be doing the evaluating. Players will need to bring a baseball glove and wear indoor athletic shoes.
